

# FISH 2000M

## INSTRUCTION GUIDELINES

The disposable Fish 2000M is based on the original Fish design with the added feature of the 'opposing slopes' at the mouth exit for a more efficient cut and an auto-retractable hook blade at the tail. Moulded in a Metal Detectable plastic with Stainless Steel blades and components.

Strapping/Banding

Card/Tape

Paper

Stretch/Shrink/Bubble Wrap

Also suitable for String, Cable Ties and more.

Also available with a MANUAL RETRACT hook blade

Distributed by:-

Nylon holster  
available

PLEASE PHOTOCOPY & ISSUE TO ALL OPERATORS

To expose the hook blade, place your thumb on the lever at the top of the knife

Push the lever until it clicks into position and the hook blade is exposed

Puncture into the material you wish to cut using the hook blade

Once the cut has finished, the hook blade will automatically retract

*Please test all detectable products with YOUR detection equipment prior to use*
