

# BST CLICK METAL PEN

METAL BODIED PUSH BUTTON RETRACTABLE BALL POINT PEN

PAGE 1 of 1

## Product Specifications

Revised September 2015

### The BST "Click" Retractable Metal Bodied Pen

This brass bodied pen features a click action retractable nib. It's strong and sturdy brass based construction minimises the risk of any pen parts becoming detached, and it's high solid base ink cartridge makes the ink last longer than the average pen, up to six months dependant on usage.

- ✓ Detectable by in-line metal detection systems & x-ray inspection systems
- ✓ Push / click retractable nib mechanism
- ✓ Metal clip
- ✓ Strong & durable brass based metal material

### Testing Information

BST recommend that all our products be thoroughly tested on your metal detection systems by a trained and certified professional. It may be the case that your equipment may need to be recalibrated in order to reliably detect this product. Such a professional should be available by contacting the manufacturer of your metal detection system.
