Product Specifications

ST3ST232MS | April 2016

| | |
|--------------------------|--------------------------|
| Product Code: | ST1BC23MS |
| Pack Size: | 1 Stopwatch |
| Product Material: | Metal |
| Product Name: | Multi Function Stopwatch |

Product Description:

This ultra robust multifunctional metal stopwatch with digital display features a stopwatch accurate to one hundredth of a second, alarm, time/calendar display, thermometer (C & F) and timer functions. The stopwatch comes in a strong non-detectable plastic case and features a neck carry chord. This ultra-robust stopwatch is also water resistant, anti-shock and anti-magnetic (Not affected by magnetism), making it ideal for use in production environments.

Product Advantages:

- ✓ Detectable by conventional metal detection systems
- ✓ Reduces the risk of items contaminating production lines
- ✓ Two row display for lap/spli time and total measurements with 1/100 sec
- ✓ Store and recall of up to 8 lap and split time
- ✓ Memory recall after reset and during operation

Metal Detectability:

BST recommend that all our products be thoroughly tested on your metal detection systems by a trained and certified professional. It may be the case that your equipment may need to be recalibrated in order to reliably detect this product. Such a professional should be available by contacting the manufacturer of your metal detection system.
